This end of sale notice only impacts the 600 Series Mobility Controllers with embedded AP licenses. Aruba 600 Series Mobility Controllers are not impacted, and may continue to be purchased with separate AP licenses. The recommended replacement products are equivalent to the end-of-sale Aruba part number.

Aruba will be accepting final orders on the above listed products through October 1, 2013, however this final date will depend on the continued availability of stock and, at Aruba's discretion, the actual end of sale date may be earlier.

End of support for the products listed above is October 1, 2018.
