End-of-Sale Announcement for the Cable Assemblies AFC7DL01 and AFC7DL02

Aruba Networks is announcing end-of-sale for the following accessories

ANTENNAS:

Aruba Part Number	Description
AFC7DL01-00	7D antenna cable with 2 N type Male connectors, 1 meter
AFC7DL02-00	7D antenna cable with 2 N type Male connectors, 2 meters

The ANT-CBL-1 and ANT-CBL-2 cable solutions have been replaced with two products ANT-CBL-1 and ANT-CBL-2 respectively. ANT-CBL-1 and -2 have slightly higher RF loss but are far more flexible. This in turn avoids deployment issues associated with over stressed / over bent cable assemblies

We currently expect to be accepting final orders through May 31, 2014, however this final date will depend on the continued availability of stock and, at Aruba's discretion, the actual end of sale date may be earlier than May 31, 2014. End of support for the products is May31, 2019.
